DIMENSIONS (mm)

CHARACTERISTIC FEATURES

Dimensions

- Centre-to-centre dimension is 55 cm.
- The nominal space for the user is 48 cm.

Seat and Backrest units

- All paddings are produced with cold-molded CMHR polyurethane foam technology,
- Both backrest and seat padding have a carefully crafted ergonomic design, with a density of 50-60 kg/m³.
- The seat padding consists of a single block of molded polyurethane foam, supported by an internal metal frame and cord system for prolonged sitting comfort.
- The fully upholstered backrest unit features an 18 mm thick MDF board and two open-cell polyurethane foam cushions, which provide excellent back and lumbar support due to their shape and composition.
- Upholstered with a padded cover, removable by means of a zipper.
- Tip-up seat folds automatically with an inside weight balance system. Totally silent and maintenance-free.

Armrests

- Fixed and shared armrest box in ergonomic design.
- Fully upholstered with a padded cover.
- Optionally, the side legs are furnished with 20mm thick armrests made of varnished wood.

Structure

- The lateral feet are made of a 8 mm thick MDF box designed and produced to provide durability and long life.
- The lateral legs are fully upholstered with padded covers.
- The lateral legs are joined to a steel base and fixed to the floor using metric screws or other suitable types of anchorage for each type of surface.
- The fully upholstered backrest unit is fixed to the lateral legs with a concealed metal slide insertion system that provided strong durability.
- The system is very resistant and ensures the perfect alignment of the backrests when forming a row.
- The metal parts are painted with electrostatic powder paint. Coat thickness: 80 microns ± 10.

Options

- Backrest cover: Beech plywood.
- Seat back cover: Beech plywood perforated.
- Seat, row numbering, and logo embroidery.
- Variety of foam densities.
- Variety of fabrics with abrasion, fading, and non-flammability characteristics.
- Variety of high-quality faux and genuine leather.
